RE: PM 883 CHIRAL NICOTINE ANALOGUES AND PROCESS  
FOR THEIR PREPARATION

Dear George:

Enclosed is a disclosure prepared by Dr. Charles Chavdarian of the Chemical Research Group. Dr. Chavdarian has included a number of references in his disclosure, and these are enclosed for your convenience.

Your opinion regarding the advisability of proceeding with a patent application would be appreciated. If a positive determination is made, please prepare a draft application at your earliest convenience. If you feel that more information is required, please contact me.

Thank you in advance for your assistance.

Sincerely,

Susan A. Hutcheson
